

## Consultants (m/f/d) for client project as part of the Innovation Bootcamp

wanted from July 18, 2022, until September 09, 2022, part-time

### Our profile

Leap in time is a young management consultancy in Darmstadt, Germany, that focuses on the future of the working world. We pursue the goal of making future working environments tangible for companies. We support companies in the implementation of future working environments as well as in strategic market development and HR issues.

### Your tasks

We are looking for consultants (m/f/d) to take part in our Innovation-Bootcamp as competence providers within a project team for our clients. The working hours are 10 to 15 hours/week on three half-days a week.

Tasks include:

- Processing of the customer project on the basis of delimited task units
- Development of a strategy for the customer to enter the semiconductor market in a team: application of different methods and perspectives

### Your profile

If the following characteristics essentially apply to you, then you are exactly right:

- Very good command of written and spoken English
- Affinity for technologies
- Microsoft Office skills
- Ability to work in a team
- Flexibility, initiative and creativity
- Experience in project/consulting activities an advantage

### What we offer you

- Cooperation in a strong team
- Future-oriented working environment
- Exciting projects using the latest technologies
- Working in a modern open-space loft environment
- Salary: 15,-€ per hour

Are you interested?

Then please send your application documents:

- Curriculum vitae
- Current transcripts of record and certificates
- Reasons for your interest in business and/or technology

to Maria Bajorski at [info@leap-in-time.com](mailto:info@leap-in-time.com). You can find further information at <https://leap-in-time.com/job-offers>.

We look forward to receiving your application!
